

Our Forensic accounting services are tailored to provide concise and accurate financial information in disputes between two or more parties.

In addition to provision of reports, our services include attendance at Court to give oral evidence, acting as Expert in disputes and provision of Expert advice to litigants and their legal advisors.

Specific areas covered include:

- Commercial disputes;
- Personal injury;
- Professional negligence;
- Matrimonial; and
- Fraud investigations.

Expert profile: Our proprietor, Mr Michael M Modiri has acted as a forensic accountant since 1986 and has attended Court on many occasions to give oral evidence.
